

Kiwi PyCon 2009

Sponsorship

***Presenting Kiwi PyCon,
Christchurch, November 7-8, 2009***

The New Zealand Python User Group (<http://nzpug.org>) is proud to present the first national Python conference in New Zealand. PyCon are annual conferences held throughout the world that serve to promote and educate people about the Python programming language. PyCon events are entirely organised by local Python user groups.

Python is used extensively throughout New Zealand's academic community, in many commercial and Governmental agencies, and in many other areas.

Estimated Audience: 150+

Audience Profile

Kiwi PyCon 2009 will attract Developers, Technologists, Technical Authors and Bloggers, Academics, Scientists, Engineers, Managers and Entrepreneurs from around the country.
